Welcoming "Miss CC" to the Fireplace Room

We wish Miss Caroline all the best as she prepares to welcome her baby into the world.

"My name is Cabiri Calisto and I feel very fortunate to become a part of the warm and caring environment at St. Christopher's. Originally from the Comox Valley, I graduated from Montessori training in Toronto and went on to teach in Mexico at a bilingual green school there. I have 3 years of formal teaching experience and 10+ years of working with children in other capacities such as teaching arts and crafts and nannying. My passions outside of the school involve running, long distance hiking and making art. For me, children are our future and I feel so lucky to get to spend my days being a part of their journeys of discovery and learning. I am dedicated to ensuring that each child receives the love, care and support they need and deserve.

Our **Christmas Village** was a great success. A big thank you to all our families for contributing items and to our volunteer elves for coordinating the event and escorting our little shoppers. Together we raised **\$500** to help a family within our St Christopher's community.

The teachers and staff would like to extend a big thank you to the parent community for your thoughtful gifts and generosity at Christmas. We are all grateful to be working in such a loving and supportive environment. We wish you all the best for 2018.
